Troop Camp Training Awards (Early 40s-mid 50s)

Erie County Council had a troop training program for units attending Camp Ti-Wa-Ya-Ee. The program continued when the Erie County and Buffalo Area Councils merged in 1949 and lasted through the mid-1950s. It also appears the program in the 1950s may have been extended to other BAC camps.

The Staff training areas began with the Camp Director, Waterfront Man, Activities Man, and Quartermaster. Early on, a Nature Man was added but did not appear to continue post-merger. A Patrol Leader patch, like the Camp Director but with green bars was added at some point and existed in the 1950s.

The design of the awards changed throughout the years. Early issues were on white and chain stitch embroidered onto felt. Later patches were silk screened onto felt and included a button tab (which was sometimes cut off).

1951 HONOR CAMPER TOTEM WITH CAMP TRAINING AWARDS

1952 CAMPING AWARD WITH SPACE FOR TRAINING AWARDS

Comments: Buffalo Area Council Awards. These were on leather. Note the 1952 award had a space to fill in which camp. Leaves open the possibility the awards were at Scouthaven and/or Schoellkopf. These awards were posted on Facebook by Marc Leonetti.

Comments: An envelope with the Camp Ti-Wa-Ya-Ee logo on it. Erie County Council. Similar to the image and script used in the mid to late 1930s.
